What's it all ▶ about?

Centri-Kid offers a quality Christian camp experience for children who are currently in grades 3-6, combining quality worship with age-appropriate activities designed from start to finish to reach children with the message of Jesus Christ.

Yeah, well, what do you do there?

Campers are greeted each morning with a high-energy celebration that'll shake away those sleepy-eyed yawns—there is nothing ho-hum about it! Small group Bible study follows morning celebration. Campers then choose from a variety of creative and exciting tracks that allow them the opportunity to develop their talents and interests.
